

Ideas for Artifacts

Here are some ideas for artifacts you can make:

Category 1: Items that tell us about your life

Your goal is to create artifacts that will tell people about your life (what you like to do, your hobbies, and other information that is personal to you).

Here are some ideas:

- Drawing of your pet, family, or friends
- Favorite sport or music group
- Hobbies
- Picture of the town, city, or area you live in

Category 2: Items that relate to the time period you live in

Your goal is to create artifacts that will tell people about what it is like to live in 2018.

Here are some ideas:

- Piece of technology that you regularly use
- Types of transportation that you use (bus, car, train)
- Current president
- 2 headlines from a recent newspaper or article
- Description of your daily routine (list of things you do before, during, or after school)
