## TEACHER KEY

1. What does urban mean? Give an example of an urban area.

**Answers may vary:** Urban means inside or part of a city. An example could be a city, like New York City.

2. What does suburban mean? Give an example of a suburban area.

**Answers may vary:** Suburban refers to suburbs, which are smaller cities or communities that are next to big cities. An example of this would be a neighborhood, or a town just outside a big city.

3. What does rural mean? Give an example of a rural area.

**Answers may vary:** Rural means there isn't much around, like stores, houses, or roads. An example of this would be a farm.
