

Museum Curator

Someone who is in charge of planning exhibits that are in museum.

Civil War

War fought between the Northern and Southern states from the years 1861 to 1865.

Confederate Army

The army of the southern states. They wanted to separate from the United States and create their own nation.

Union Army

The army of the northern states.

Battle of Gettysburg

One of the major victories of the Union Army during the war. This was the deadliest battle in U.S. history, 50,000 people died overall.

Battle of Bull Run

Battle won by the Confederate Army in 1862.

Battle of Blackburn's Ford

This battle was won by the Confederate Army because they had more guns than the Union soldiers fighting in this battle.
